

TRAVEL MONEY POLICIES & EXPLANATION

Before using a TRAVEL MONEY CERTIFICATE towards tournament entry fees, the TRAVEL MONEY CERTIFICATE must be authenticated, verified, validated at the time a manager registers his/her team to play in the tournament. TRAVEL MONEY CERTIFICATES CANNOT be used on tournament day unless the TRAVEL MONEY CERTIFICATE has been verified, authenticated and validated.

All Travel Money is based on a reimbursement system where the sponsor pays us back when we award Travel Money provided the team receiving the Travel Money plays on or before the date of expiration.

Once the team plays, we bill or invoice the sponsor with proof in the form of a roster and a schedule listing the team in a tournament on or before the expiration date. If a team does not play, we cannot bill or invoice the sponsor for reimbursement.

All Travel Money must be used by the date of expiration. After the expiration date, the Travel Money Certificates are invalid. Travel Money cannot be exchanged for sportswear, sporting goods. Expiration dates of Travel Money cannot be extended. The one exception is for "BAD WEATHER" causing a postponement occurring on the day of the tournament that your team has entered.

There are three (3) kinds of Travel Money:

(1) Travel Money - "NEXT" This Travel Money is good for thirty (30) days for four (4) weekends to any tournament from the date the Travel Money was awarded. This is the most common. The thirty (30) days expiration guarantees that there is a high degree of probability that most of the players who played when they won the Travel Money are still on the team and can benefit from the Travel Money when the team plays again.

(2) Travel Money to a specific tournament such as STATE, REGION, WORLD, NATIONALS, RING etc This Travel Money is only good to be used for the specific tournament designated. Once the Tournament has past, then the Travel Money is NOT LONGER VALID and cannot be used on another date.

EXAMPLE; USC VS UCLA football game. Once the game is over and you did not attend the game, the ticket is no longer valid and cannot be use for another game.

(3) If a team goes 0-4 that zero wins and four losses the team will be awarded \$100.00 in Travel Money which is the same as #1 NEXT. This is good for 30 days or four (4) weekends from the date of tournament the Travel Money was awarded.

INOTE: NO TEAM CAN BE (0-4) AND WIN TRAVEL MONEY AND INDIVIDUAL PRIZES:
